

ENGINEER'S SITE VALIDATION FORM

Rev. 01/2020

TO:

RE: Lot(s) _____
Civic Address _____
Builder Client _____

This shall acknowledge that the undersigned is aware that Atlantic Home Warranty, "AHW," issues a Limited Warranty Certificate which provides protection to home owners against major structural defects as stipulated in their warranty certificate.

AHW relies upon the undersigned's representation that:

- *(a) the lot(s) has/have been inspected for sub-surface conditions; and
- *(b) the recommendations(s) has/have been made to the client; and
- *(c) the recommendation(s) has/have been carried out in accordance with good engineering practice, the National Building Code and local conditions; and
- (d) the lot(s) is/are suitable for construction of a residential dwelling(s) with allowable bearing pressure; and
- (e) the undersigned is a duly qualified engineer practicing at _____, in the Province of _____; and
- (f) the undersigned's professional liability policy is carried by _____, Policy Number: _____ and is in full force and effect;

Dated at _____, in the County of _____, and Province of _____, this _____ day of _____, 20_____.
